CHAIRMAN HOLLOWAY STATEMENT ON TWITTER VIDEO

Milwaukee, WI – Milwaukee County Board Chairman Lee Holloway released the following statement this morning:

“It’s unfortunate that the decision was made to publicly connect a Soul Train video with the proposed high-speed rail line. The video was not appropriate in this context and demonstrates that some of the staff members working for Scott Walker are naïve and unsophisticated. This behavior also diminishes the importance of public transportation in our community.

“As Chairman of the Milwaukee County Board, it is my duty to denounce actions that reflect poorly on Milwaukee County. I expect Scott Walker to immediately issue a public apology for the behavior of his political staffers. He should personally admit that this was a mistake so we can all move on to more pressing issues facing Milwaukee County.”
